For Concrete Pool

WL-PS series underwater light

WL-PS series underwater light

Main feature:

1. Light source: 18W SMD led light+6W high power LED light.
2. No flicker, high purity, soft light, no glare.
3. High brightness (high lumen), strong light transmission.
4. Low power consumption, low heat while working.
5. Wall-mounted type, easy to install.
6. Safety low voltage: AC 12-20V.
7. IP68 waterproof standard.
8. Color: cool white, warm white, RGB mixing.

TECHNICAL DATA

| Model | Power(W) | Voltage(V) | LED QTY | Light source | Color | Lumination(lux) |
|--------------------|----------|------------|---------|---|-------------|-----------------|
| WL-PS-LED 168JTBW | 24W | 12-20V | 168 | 162pcs SMD leds white color, 6pcs high power leds white color | White color | 2100 |
| WL-PS-LED 168JT CW | 24W | 12-20V | 168 | 162pcs SMD leds RGB color, 6pcs high power leds white color | RGB+white | 1400 |

WL-LA Series Underwater Light

Main features:

- 1.Ultra-thin design, perfectly integrated with the pool wall.
- 2.Very convenient installation, directly insert into 3/4" pipe or 1.5" water inlet.
- 3.Four-core wire stepless dimming remote control technology can achieve hundreds of color changes.
- 4.Suitable for all kinds of pools using.

| Model | Power(W) | Voltage(V) | LED QTY | Light Source | Color | Lumination(lux) | Installation type |
|-----------------|----------|------------|---------|--------------|------------|-----------------|------------------------------|
| WL-LA-LED063JTB | 6W | AC/DC 12V | 63 | SMD LED | Cool white | 483 | Wall mounted & Wall Recessed |
| WL-LA-LED063JTW | 6W | DC 12V | 63 | SMD LED | Warm white | 483 | |
| WL-LA-LED063JTC | 6W | DC 12V | 63 | SMD LED | RGB color | 155 | |

QB underwater light

Mode: WL-QB series underwater light

Power: 6W/9W/12W LED lamp, 100W halogen lamp Resin filled led lamp as optional Safe low voltage AC12V, wide voltage AC12-20V Cool white, warm white, RGB, single color Housing type installation with niche for concrete pool

Specification

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|-----------------|--|-----------|-------------|--|-------------------|
| WL-QBG-LED012 | Resin filled LED with niche, 12 leds, for concrete pool, white/RGB | 12W | 12V | 885 (cool/warm white) 200 (RGB color) | Housing type |
| WL-QBG-LED072 | Resin filled LED with niche, 72 leds, for concrete pool, white/RGB | 6W | 12V | 255 (cool/warm white) 90 (RGB color) | Housing type |
| WL-QBG-LED144 | Resin filled LED with niche, 144leds, for concrete pool, white/RGB | 12W | 12V | 455 (cool/warm white) 110 (RGB color) | Housing type |
| WL-QB-LED108HTB | Wide voltage LED with niche, 108 leds, for concrete pool,white color | 12W | 12-20V | 590 (cool/warm white) | Housing type |
| WL-QB-LED108HTC | Wide voltage LED with niche, 108 leds,for concrete pool, RGB color | 12W | 12-20V | 248 (RGB) | Housing type |
| WL-QB-LED072 | Underwater light with niche, 72 leds, SS304,for concrete pool | 6W | 12V | 150 (cool/warm white) 88 (RGB color) | Housing type |
| WL-QB-LED009 | Underwater light with niche, 9 leds, SS304, for concrete pool | 9W | 12V | 580 (cool/warm white) 130 (RGB color) | Housing type |
| WL-QB-LED012 | Underwater light with niche, 12 leds, SS304, for concrete pool | 12W | 12V | 885 (cool/warm white) 200 (RGB color) | Housing type |
| WL-QBP100 | Underwater light with niche, E27 light bulb, tempered glass lens | 100W | 12V | | Housing type |
| WL-QBC100 | Underwater light with niche, lamp cup, tempered glass lens | 100W | 12V | | Housing type |

PS series underwater light

Mode: WL-PS/PSC series led underwater light

Power: 6W/12W/18W/24W LED, 75W/100W incandescent lamp Safe low voltage AC12V Cool white, warm white, RGB, single color Wall mount type installation, flat light non-niche

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|------------------|---|-----------|-------------|------------------------|-------------------|
| WL-PS-LED072BB | Plastic flat light with bracket plate, 72 leds cool white/warm white | 6W | 12V | 150 (cool/warm white) | Wall mount |
| WL-PS-LED072BC | Plastic flat light with bracket plate, 72 leds RGB color/single color | 6W | 12V | 88 (RGB) | Wall mount |
| WL-PS-LED144BB | Plastic flat light with bracket plate, 144 leds cool white/warm white | 12W | 12V | 302 (cool/warm white) | Wall mount |
| WL-PS-LED144BC | Plastic flat light with bracket plate, 144 leds RGB color/single color | 12W | 12V | 168 (RGB) | Wall mount |
| WL-PS-LED252BB | Plastic flat light with bracket plate, 252 leds cool white/warm white | 18W | 12V | 530 (cool/warm white) | Wall mount |
| WL-PS-LED252BC | Plastic flat light with bracket plate, 252 leds RGB color/single color | 18W | 12V | 257 (RGB) | Wall mount |
| WL-PS-LED216HTB | Wide voltage plastic flat light with bracket plate, 216 leds cool white/warm white | 24W | 12V-20V | 1420 (cool/warm white) | Wall mount |
| WL-PS-LED216HTC | Wide voltage plastic flat light with bracket plate, 216 leds RGB color/single color | 24W | 12V-20V | 522 (RGB) | Wall mount |
| WL-PSC-LED216HTB | Wide voltage plastic flat light with bracket plate, 216 leds cool white/warm white | 24W | 12V-20V | 1420 (cool/warm white) | Wall mount |
| WL-PSC-LED216HTC | Wide voltage plastic flat light with bracket plate, 216 leds RGB color/single color | 24W | 12V-20V | 522 (RGB) | Wall mount |
| WL-PS-LED018JTB | Plastic flat light with bracket plate, 54 leds cool white/warm white | 18W | 12V | 1185 (cool/warm white) | Wall mount |
| WL-PS-LED018JTC | Plastic flat light with bracket plate, 54 leds RGB color/single color | 18W | 12V | 245 (RGB color) | Wall mount |
| WL-PSC-LED018JTB | Plastic flat light with bracket plate, 54 leds cool white/warm white | 18W | 12V | 1185 (cool/warm white) | Wall mount |
| WL-PSC-LED018JTC | Plastic flat light with bracket plate, 54 leds RGB color/single color | 18W | 12V | 245 (RGB color) | Wall mount |
| WL-BPS075 | Underwater light with bracket plate, Incandescent lamp bead | 75W | 12V | | Wall mount |
| WL-BPS100 | Underwater light with bracket plate, Incandescent lamp bead | 100W | 12V | | Wall mount |

ME small LED underwater light

Mode: WL-ME series led underwater light

Power: 6W/9W/12W Safe low voltage AC12V-20V Cool white, warm white, RGB, single color Thread and nut with gasket for fiberglass pool/liner pool installation Housing type with niche for concrete pool, directly connecting with 2"/63mm PVC pipe or wall conduit

WL-ME features:

- High quality silicon gasket, it's not easy to age, seepage and leak
- Waterproof standard: IP68
- Variable voltage: AC12V-20V
- Can be applied to the voltage fluctuation range of occasion
- No flicker, high purity, soft light, no glare
- High brightness (high lumen), strong light transmission
- Installation mode: liner pool and concrete pool (housing type), fit to 2" wall conduit or 2" thread pvc pipe
- Color: cool white, warm white, RGB and single color
- The high grade ABS plastic housing is also durable and applicable for concrete pool installation.

Specification

| Model | Watt/Voltage | LED QTY | Lumination (LUX) | Lifetime (hours) | Color |
|-------------------|--------------|---------|-------------------|------------------|------------|
| WL-ME-LED006JTB-C | 6W/12-20V | 54LEDS | 485 | 10,000-20,000 | Cool white |
| WL-ME-LED006JTB-W | 6W/12-20V | 54LEDS | 485 | 10,000-20,000 | Warm white |
| WL-ME-LED006JTC | 6W/12-20V | 54LEDS | 120 | 50,000-100,000 | RGB |
| WL-ME-LED009JTB-C | 9W/12-20V | 81LEDS | 760 | 10,000-20,000 | Cool white |
| WL-ME-LED009JTB-W | 9W/12-20V | 81LEDS | 760 | 10,000-20,000 | Warm white |
| WL-ME-LED009JTC | 9W/12-20V | 81LEDS | 200 | 50,000-100,000 | RGB |
| WL-ME-LED012JTB-C | 12W/12-20V | 108LEDS | 1000 | 10,000-20,000 | Cool white |
| WL-ME-LED012JTB-W | 12W/12-20V | 108LEDS | 1000 | 10,000-20,000 | Warm white |
| WL-ME-LED012JTC | 12W/12-20V | 108LEDS | 300 | 50,000-100,000 | RGB |

QA underwater light

Mode: WL-QA series underwater light Power: 3W LED, 75W halogen lamp Safe low voltage AC12V Cool white, warm white, RGB, single color Housing type installation with niche for concrete pool

QA series features stainless steel material, non-corrosive and well cooling operation, tempered glass lens increase transparency. It's very simple to install in concrete pool.

Features:

- Material: Stainless steel 304
- Standard cable: 2.0 meters
- Safe low voltage: AC12V
- Waterproof standard: IP68
- Installation mode: housing type for concrete pool
- Compatible to American and European niches
- Color: cool white, warm white, RGB and single blue

- RGB mode features 19 pre-programmed lighting patterns
- Laswim remote control system (YAQ) allows you to manage your pool with an easygoing, relaxing lifestyle

Specification

| Model | Watt/Voltage | Description | Lumination (LUX) |
|----------------|--------------|--|------------------|
| WL-QA-LED036HB | 3W/12V | Underwater light with 36leds, SS304, with niche for concrete pool, cool white / warm white | 98 |
| WL-QA-LED036HC | 3W/12V | Underwater light with 36leds, SS304, with niche for concrete pool, RGB / single color | 65 |
| WL-QAC075 | 75W/12V | Underwater light, SS304, lamp cup with niche for concrete pool | |

PX underwater light

Mode: WL-PX series led underwater light

Power: 6W/12W/18W Safe low voltage AC12V Cool white, warm white, RGB, single color Wall mount type installation, flat light non-niche

Laswim PX series lights designed in starfish with much more mystic to achieve optimization effect and rich swimming experience in your swimming pool.

Features:

- Lamp source: high quality DIP LED lamp
- High quality silicon gasket, it's not easy to age, seepage and leak
- High efficient led light, high brightness, low power consumption
- Low heat while working, prolong its life span
- Safety low voltage: AC12V
- Cable: 2.0 meters
- Installation mode: wall-mounted type
- Color: cool white, warm white, RGB and single blue
- RGB mode features 19 pre-programmed lighting patterns
- Color temperature: cool white 6000K, warm white: 3000K
- Certification: CE

| Power(W) | Voltage(V) | LED QTY | Light source | Color | Lumination(lux) | Installation type | Optional remote control |
|----------|------------|---------|------------------|-------------|-----------------|-------------------|-------------------------|
| 24W | 12-20V | 216 | Wide voltage | White color | 2150 | Wall mounted type | × |

WL-MG Series Swimming Pool Light

High quality silicon silicon gasket, it's not easy to age, seepage and leak.

Installation mode: housing type , possible to connect to 2" wall fitting,2" wall conduit or 1.5" thread pvc pipe, and compatible to concrete liner pool and fiberglass liner pool.

WL-MG features

With distinctive design lens, MG light performs extraordinary and gorgeous lighting effect.

Main features:

High quality silicon silicon gasket, it's not easy to age, seepage and leak.

Installation mode: housing type , possible to connect to 2" wall fitting,2" wall conduit or 1.5" thread pvc pipe, and compatible to concrete liner pool and fiberglass liner pool.

Color: cool white, warm white, RGB and single color.

TECHNICAL DATA

| Model | Power (W) | Voltage (V) | LED QTY | Lumination (lm) | Life Time (h) | Color | Installation type |
|-------------------|-----------|-------------|---------|-----------------|----------------|------------|---|
| WL-MG-LED006JTB-C | 6W | 12-20V | 54 | 485 | 10,000-20,000 | Cool white | 1. for fiberglass pool 2. for fiberglass pool+liner 3. for concrete pool (housing type) 4. concrete pool + liner |
| WL-MG-LED006JTB-W | 6W | 12-20V | 54 | 485 | 10,000-20,000 | Warm white | |

QD underwater light

Mode: WL-QD series underwater light

Power: 12W/18W LED, 300W E27 bulb-non LED Safe low voltage AC12V Housing type installation with niche for concrete pool

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|----------------|---|-----------|-------------|-----------------------|-------------------|
| WL-QD-LED144BB | Underwater light, SS304, 144leds with niche for concrete pool, cool white/warm white | 12W | 12V | 302 (cool/warm white) | Housing type |
| WL-QD-LED144BC | Underwater light, SS304, 144leds with niche for concrete pool, RGB color | 12W | 12V | 168 (RGB color) | Housing type |
| WL-QD-LED252BB | Underwater light, SS304, 252leds, with niche for concrete pool, cool white/warm white | 18W | 12V | 530 (cool/warm white) | Housing type |
| WL-QD-LED252BC | Underwater light, SS304, 252leds, with niche for concrete pool, RGB color | 18W | 12V | 257 (RGB color) | Housing type |
| WL-QDP300 | Underwater light, SS304, E27 bulb with niche, toughened glass for concrete pool | 300W | 12V | | Housing type |

PQ series underwater light

Mode: WL-PQ series led underwater light

Power: 12W/24W/36W LED Safe low voltage AC12V Cool white, warm white, RGB, single color Wall mount type installation, flat light non-niche

- Model: WL-PQ series
- Brand: Laswim

Product Description

Laswim PQ lights features a diamond design with noble and elegant and high power led lamp provides super brightness and high efficiency. Nicheless flat light directly to mount to pool wall with bracket plate, very simple and convenient installation.

It's specially made of stainless steel base with much better heat radiation for high power lamp than other models.

Features:

- Non-niche, easy installation
- Shell material: ABS +stainless steel, non-corrosive, much better for heat radiation
- Cool white, warm white, RGB, single color are available
- IP68 waterproof standard.
- 2.0meters cable length as standard

- Installation mode: wall mount with bracket
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxing lifestyle

Advantages:

- High quality silicon gasket, it's not easy to age, seepage and leak
- High efficient led light, high brightness, low power consumption
- Low heat while working, prolong its life span
- Certification: CE

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|----------------|--|-----------|-------------|------------------------|-------------------|
| WL-PQ-LED012PB | Flat light with bracket plate, 12 leds high power cool white/warm white | 12W | 12V | 885 (cool/warm white) | Wall mount |
| WL-PQ-LED012PC | Flat light with bracket plate, 12 leds high power RGB color/single color | 12W | 12V | 200 (RGB) | Wall mount |
| WL-PQ-LED024PB | Flat light with bracket plate, 24 leds high power cool white/warm white | 24W | 12V | 1300 (cool/warm white) | Wall mount |
| WL-PQ-LED024PC | Flat light with bracket plate, 24 leds high power RGB color/single color | 24W | 12V | 352 (RGB) | Wall mount |
| WL-PQ-LED036PB | Flat light with bracket plate, 36 leds high power cool white/warm white | 36W | 12V | 1395 (cool/warm white) | Wall mount |
| WL-PQ-LED036PC | Flat light with bracket plate, 36 leds high power RGB color/single color | 36W | 12V | 410 (RGB) | Wall mount |

MH Series Underwater Light

HIGH BRIGHT LIGHT FOR SWIMMING POOL Super brightness flood light and high power spot light combination to enhance the brightness space and light range,very suitable for middle-large pools using.

WL-MH

HIGH BRIGHT LIGHT FOR SWIMMING POOL

Super brightness flood light and high power spot light combination to enhance the brightness space and light range,very suitable for middle-large pools using.

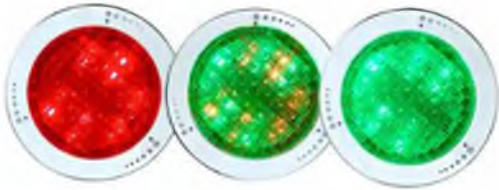

- 1.Brilliant illumination,strong light transmission
- 2.Variable voltage range AC 12-20V
- 3.No flicker,no glare,high purity
- 4.Suitable for all kinds of pools: concrete pool, fiberglass pool,liner pool,etc.

MH series light is with thread coupling.Its threads are directly compatible with 2" pool wall conduit or thread pipes,making it very convenient and widely used in swimming pools and spas.

| Model | Power(W) | Voltage(V) | LED QTY | Lamp sort | Lumination (lux) | Installation type |
|------------------|----------|------------|---------|-----------------|------------------|-------------------|
| WL-MH-LED168JTBW | 18W+6W | 12-20V | 162+6 | 162pcs SMD leds | 2100 | For fiberglass |

QGB underwater light

Mode: WL-QGB series underwater light

Power: 12W/24W/36W LED Safe low voltage AC12V, AC12-20V optional Housing type installation with niche for concrete pool

American old type light, be able to install our lamp to American/European light niche.

Laswim QG series light is a high power series light, and features stainless steel material with good heat dissipation and tempered glass lens to increase transparency and super brightness. There are different lamp sources available: variable voltage LED lamp, DIP LED lamp and SMD led lamp.

Features:

- Material: Stainless steel 304
- Standard cable: 2.0 meters
- Safe low voltage: AC12V,
- Waterproof standard: IP68
- Installation mode: housing type for concrete pool
- Compatible to American and European niches
- Color: cool white, warm white, RGB and single blue
- RGB mode features 19 pre-programmed lighting patterns
- Laswim remote control system (YAQ) allows you to manage your pool with an easygoing, relaxing lifestyle

Wide voltage led advantages:

- Safe low voltage: AC12V-20V
- Can be applied to the voltage fluctuation range of occasion
- No flicker, high purity, soft light, no glare
- High brightness (high lumen), strong light transmission
- Low power consumption, low heat while working

SMD led benefits:

- High efficient SMD led, power saving up to 80% consumption than halogen lamp and incandescent lamp
- High quality silicon gasket, it's not easy to age, seepage and leak
- Super high brightness, low maintenance cost
- Material: Stainless steel 304
- Safe low voltage: AC12V

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|------------------|---|-----------|-------------|---|-------------------|
| WL-QGB-LED216HTB | Wide voltage LED with niche, 216 leds, for concrete pool, white color | 24W | 12-20V | 1420 (cool/warm white) | Housing type |
| WL-QGB-LED216HTC | Wide voltage LED with niche, 216 leds, for concrete pool, RGB color | 24W | 12-20V | 522 (RGB) | Housing type |
| WL-QGB-LED012 | Underwater light with niche, 12 leds high power, SS304, for concrete pool, white/RGB | 12W | 12V | 885 (cool/warm white) 200 (RGB color) | Housing type |
| WL-QGB-LED024 | Underwater light with niche, 24 leds high power, SS304, for concrete pool, white/RGB | 24W | 12V | 1300 (cool/warm white) 352 (RGB color) | Housing type |
| WL-QGB-LED036 | Underwater light with niche, 36 leds high power, SS304, for concrete pool, white/RGB | 36W | 12V | 1395 (cool/warm white) 410 (RGB color) | Housing type |
| WL-QGB-LED024JTB | Underwater light with niche, 72 leds, SS304, for concrete pool, cool white/warm white | 24W | 12V | 1240 (cool/warm white) | Housing type |
| WL-QGB-LED024JTC | Underwater light with niche, 72 leds, SS304, for concrete pool, RGB | 24W | 12V | 375 (RGB color) | Housing type |

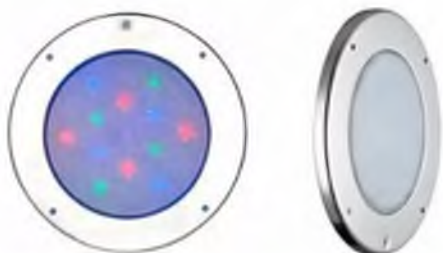

WL-MH Series LED Swimming Pool Light

- Safety low voltage AC12V, AC12-20V
- Color: cool white, warm white, RGB combination.
- The new high-power light source makes the underwater light more penetrating and brighter.
- The wide voltage makes your underwater light more stable and has a longer lifespan.
- A variety of installation methods bring you convenience for different swimming pool installations, which are simple and easy to install and replace.

| Model | Power(W) | Voltage(V) | LED QTY | Installation type |
|-----------------|----------|------------|---------|---|
| WL-MH-LED072JTB | 24W | 12V | 72 | 1. For fiberglass pool 2. For pannel pool+liner 3. For concrete pool+tile 4. For concrete pool+liner |
| WL-MH-LED072JTC | 24W | 12V | 72 | |
| WL-MH-LED126JTB | 24W | 12-20V | 126 | |
| WL-MH-LED126JTC | 24W | 12-20V | 126 | |
| WL-MH-LED162JTB | 24W | 12-20V | 162 | |
| WL-MH-LED162JTC | 24W | 12-20V | 162 | |

QSG resin filled LED light

Mode: WL-QSG series resin filled led underwater light

Power: 12W/18W/24W/36W Safe low voltage AC12V Cool white, warm white, RGB, single color Housing type installation (with niche)

Features:

- Resin-filled LED panel allows 100% water proofing with special epoxy, even if only the led panel still keeps working.
- Beam angle: 120°
- IP68 waterproof standard.
- Stainless steel surface ring, non-corrosive
- Cool white, warm white, RGB, single color are available
- 2.0meters cable length as standard
- 19 working modes
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxing lifestyle

| Model | Power(W) | Voltage(V) | LED QTY | Light source | Color | Lumination(lux) | Installation type |
|------------------|----------|------------|---------|----------------|-------------|-----------------|-------------------|
| WL-QSG-LED012PB | 12W | 12V | 12 | High power LED | White color | 885 | Housing type |

MAG resin filled LED underwater light

Mode: WL-MAG series led underwater light

Power: 6W/12W/18W/24W Safe low voltage AC12V Cool white, warm white, RGB, single color

Housing type installation (with niche) and Wall mount type (with bracket plate) are available

Features:

- Fully resin enclosing the light cable connection, to achieve complete waterproof and moisture proof.
- High efficient, supper bright, low heat LED board and control board, low power consumption
- IP68 waterproof standard.
- 2.0meters cable length as standard
- Cool white, warm white, RGB, single color are available
- RGB mode features 19 pre-programmed patterns
- Applicable in concrete pool with niche and wall mount with bracket, both installation are compatible
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxed lifestyle

Specification

WL-MAG.1

| Model | Power(W) | Voltage(V) | LED QTY | Light source | Color | Lumination(lux) | Installation type |

QW underwater light

Mode: WL-QW series LED underwater light Wide angle & narrow angle light

Power:24W Voltage AC12V Cool white, warm white, RGB, single color Housing type installation with niche for concrete pool

Material: stainless steel light+plastic niche

Good seal, non-corrosive

Safety low voltage: AC12V

Installation mode: Housing type for concrete pool

Standard cable: 2.0meters

Color: cool white, warm white, RGB and single blue.

RGB mode features 19 pre-programmed lighting patterns

Laswim remote control system (YAQ) allows you to manage your pool with an easygoing, relaxed lifestyle.

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|-----------------|---|-----------|-------------|------------------------|-------------------|
| WL-QW-LED024JTB | Stainless steel light 72 leds with ultra thin niche/classic niche for concrete pool, cool white/w | 24W | 12V | 1240 (cool/warm white) | Housing type |
| WL-QW-LED024JTC | Stainless steel light 72 leds with ultra thin niche/classic niche for concrete pool, RGB color | 24W | 12V | 375 (RGB color) | Housing type |

MBG resin filled LED pool light

Mode: WL-MBG series led underwater light

Power: 6W/12W/18W/24W Safe low voltage AC12V Cool white, warm white, RGB, single color Housing type installation (with niche) and Wall mount type (with bracket plate) are available

Features:

- Fully resin enclosing the light cable connection, to achieve complete waterproof and moistureproof.
- High efficiency, super bright, big lumen
- Waterproof standard: IP68
- 2.0meters cable length as standard
- Color: cool white, warm white, RGB and single color
- RGB mode features 19 pre-programmed patterns
- Installation mode: compatible to housing type with niche and wall-mounted with bracket plate
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxing lifestyle

MCG resin filled LED pool light

Mode: WL-MCG series led underwater light Power: 6W/12W/18W/24W Safe low voltage AC12V Cool white, warm white, RGB, single color Housing type installation (with niche) and Wall mount type (with bracket plate) are available

Features:

- Fully resin enclosing the light cable connection, to achieve complete waterproof and moisture proof.
- High efficient, super bright, big lumen
- Waterproof standard: IP68
- Color: cool white, warm white, RGB and single color
- RGB mode features 19 pre-programmed patterns
- Installation mode: compatible to housing type with niche and wall-mounted with bracket plate
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxed lifestyle

Specification

| Model | Watt/Voltage | Power (W) | Voltage (V) | Lumination (LUX) | Installation mode |
|-----------------|---|-----------|-------------|------------------------|--------------------------------|
| WL-MCG-LFD072TB | Resin filled LED with niche, 72 leds, for concrete pool, cool white/warm white | 6W | 12V | 255 (Cool/warm white) | Housing type & Wall mount type |
| WL-MCG-LFD072TC | Resin filled LED with niche, 72 leds, for concrete pool, RGB color | 6W | 12V | 90 (RGB color) | Housing type & Wall mount type |
| WL-MCG-LFD144TB | Resin filled LED with niche, 144 leds, for concrete pool, cool white/warm white | 12W | 12V | 455 (Cool/warm white) | Housing type & Wall mount type |
| WL-MCG-LFD144TC | Resin filled LED with niche, 144 leds, for concrete pool, RGB color | 12W | 12V | 110 (RGB color) | Housing type & Wall mount type |
| WL-MCG-LFD252TB | Resin filled LED with niche, 252 leds, for concrete pool, cool white/warm white | 18W | 12V | 731 (Cool/warm white) | Housing type & Wall mount type |
| WL-MCG-LFD252TC | Resin filled LED with niche, 252 leds, for concrete pool, RGB color | 18W | 12V | 225 (RGB color) | Housing type & Wall mount type |
| WL-MCG-LFD324TB | Resin filled LED with niche, 324 leds, for concrete pool, cool white/warm white | 24W | 12V | 1075 (Cool/warm white) | Housing type & Wall mount type |
| WL-MCG-LFD324TC | Resin filled LED with niche, 324 leds, for concrete pool, RGB color | 24W | 12V | 355 (RGB color) | Housing type & Wall mount type |

QJ underwater light

Mode: WL-QJ series underwater light

Power: 12W/18W/24W/36W LED, 300W halogen lamp Safe low voltage AC12V, AC12-20V optional

Housing type installation with niche for concrete pool, fiberglass pool, stainless steel pool, liner pool

Laswim QJ series light adopts international standard PAR56 lamp and corrosive resistant plastic niche. High quality silicon gasket, it's not easy to age, seepage and leak to ensure waterproofness. QJ models feature different high power lamp sources: variable voltage led lamp, DIP led lamp, SMD led lamp and halogen PAR56 bulb.

Suitable to concrete pool, fiberglass pool, vinyl pool, stainless steel pool, wooden pool, and liner pool

DIP LED features:

- Good sealing, non-corrosive
- Life span: 10,000-100,000 hours
- Safe low voltage: AC12V
- Beam angle: 120°
- Standard cable: 2.0 meters
- Waterproof standard: IP68
- Housing type installation mode: compatible to concrete pool, fiberglass pool, stainless steel pool, liner pool
- 19 working modes
- Laswim remote control system (YAQ) allows you to manage your pool with an easygoing, relaxing lifestyle

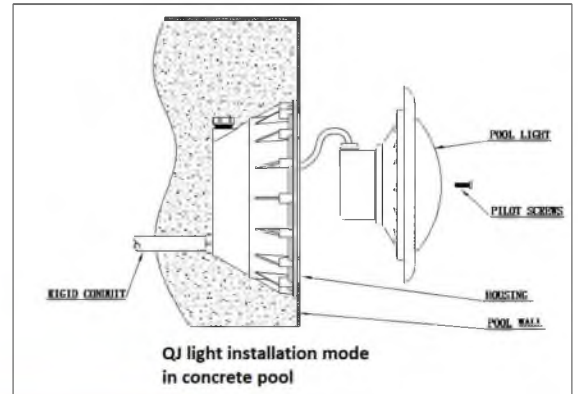

Wide voltage led advantages:

- Safe low voltage: AC12V-20V
- Can be applied to the voltage fluctuation range of occasion
- No flicker, high purity, soft light, no glare
- High brightness (high lumen), strong light transmission
- Low power consumption, low heat while working
- Housing type installation mode: compatible to concrete pool, fiberglass pool, stainless steel pool, liner pool

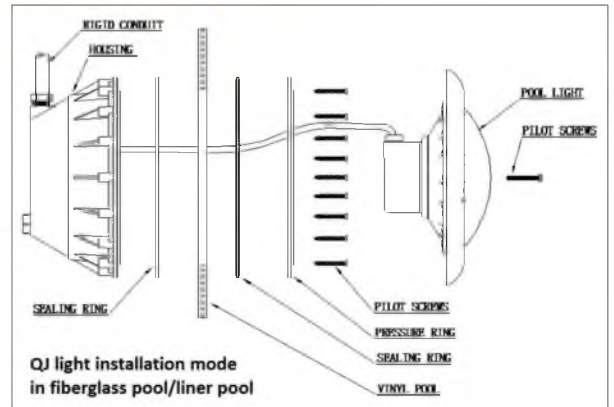

SMD led benefits:

- High efficient SMD led, power saving up to 80% consumption than halogen lamp and incandescent lamp
- High quality silicon gasket, it's not easy to age, seepage and leak
- Super high brightness, low maintenance cost
- Housing type installation mode: compatible to concrete pool, fiberglass pool, stainless steel pool, liner pool
- Safe low voltage: AC12V

Concrete pool installation

Fiberglass pool / Stainless steel pool /Liner pool installation

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|------------------|---|-----------|-------------|---|-------------------|
| WL-QJ-LED21.6HTB | Wide voltage LED with niche, 216 leds, for concrete pool / fiberglass pool / liner pool compatible, cool white/warm white | 24W | 12-20V | 1420 (cool/warm white) | Housing type |
| WL-QJ-LED21.6HTC | Wide voltage LED with niche, 216 leds, for concrete pool / fiberglass pool / liner pool compatible, RGB color | 24W | 12-20V | 522 (RGB) | Housing type |
| WL-QJ-LED144 | Underwater light with niche, 144 leds for concrete pool / fiberglass pool / liner pool compatible, white/RGB | 12W | 12V | 302 (cool/warm white) 168 (RGB color) | Housing type |
| WL-QJ-LED252 | Underwater light with niche, 252 leds for concrete pool / fiberglass pool / liner pool compatible, white/RGB | 18W | 12V | 530 (cool/warm white) 257 (RGB color) | Housing type |
| WL-QJ-LED036 | Underwater light with niche, 36 leds high power, for concrete pool / fiberglass pool / liner pool compatible, white/RGB | 36W | 12V | 1395 (cool/warm white) 410 (RGB color) | Housing type |
| WL-QJ-LED01.8JTB | Underwater light with niche, 54 leds for concrete pool / fiberglass pool / liner pool compatible, cool white/warm white | 18W | 12V | 1285 (cool/warm white) | Housing type |
| WL-QJ-LED01.8JTC | Underwater light with niche, 54 leds for concrete pool / fiberglass pool / liner pool compatible, RGB color | 18W | 12V | 245 (RGB color) | Housing type |
| WL-QJ-LED024JTB | Underwater light with niche, 72 leds for concrete pool / fiberglass pool / liner pool compatible, cool white/warm white | 24W | 12V | 1240 (cool/warm white) | Housing type |
| WL-QJ-LED024JTC | Underwater light with niche, 72 leds for concrete pool / fiberglass pool / liner pool compatible, RGB color | 24W | 12V | 375 (RGB color) | Housing type |
| WL-QJP300 | Underwater light with niche, PAR56 halogen bulb, for concrete pool / fiberglass pool | 300W | 12V | | Housing type |

WL-MD Series Underwater Light

Laswim MD series light with flat PAR56 led lamp provides super brightness and high efficiency. Nicheless flat light directly to mount to pool wall with bracket plate, very simple and convenient installation.

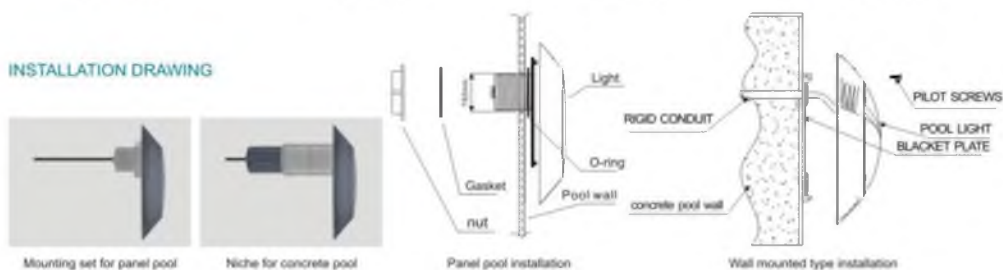

WL-MD features

Laswim MD series light with flat PAR56 led lamp provides super brightness and high efficiency. Nicheless flat light directly to mount to pool wall with bracket plate, very simple and convenient installation.

MD light with one-piece sealing forming led lamp to completely seal the light source, not only achieves the purpose of the complete waterproofing, but also raises the safety, corrosion resistance and service life of the underwater lamp to a new level.

- 1.Code 3040930059 bracket for concrete pool (non-niche).
- 2.Code 3040930061 Mounting set for panel pool.
- 3.Code 3040930060 niche part for concrete pool matching 2"/63mm PVC pipe.
- 4.Code 1219800009 retrofit plate for light with European or American Niche.

ABOUT LASWIM

Guangdong LASWIM Water Environment Equipment Co.,Ltd. set up in 1989, is one of the leading enterprises in Pool & Spa field in China. The production base is covered more than 40000m² in Zhongshan city, and has the advanced production equipment and technical strength, which has complete quality control systems. It is installed the advanced test equipment for production lines from Europe; and the overall test process adopts computer control. The high-quality raw materials, professional and technical personnel and effective management systems are employed. Through an ongoing effort to diversify products, a complete line of energy efficient residential and commercial pool products are developed, including endless pool units, pumps, filters, chlorinators, lighting, heat pumps, ladders, starting blocks, racing lane, underwater observation windows, white goods, Jacuzzi and SPA Pool.

QQC underwater light

Mode: WL-QQC series LED underwater light (large power light)

Power: 12W/24W/36W Voltage AC12V Cool white, warm white, RGB, single color Housing type installation with niche for concrete pool

ABS surface ring+stainless steel base, great for heat radiation while working

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|-----------------|---|-----------|-------------|------------------------|-------------------|
| WL-QQC-LED012PB | Underwater light, 12 leds with niche for concrete pool, cool white/warm white | 12W | 12V | 885 (cool/warm white) | Housing type |
| WL-QQC-LED012PC | Underwater light, 12 leds with niche for concrete pool, RGB color | 12W | 12V | 200 (cool/warm white) | Housing type |
| WL-QQC-LED024PB | Underwater light, 24 leds with niche for concrete pool, cool white/warm white | 24W | 12V | 1300 (cool/warm white) | Housing type |
| WL-QQC-LED024PC | Underwater light, 24 leds with niche for concrete pool, RGB color | 24W | 12V | 352 (cool/warm white) | Housing type |
| WL-QQC-LED036PB | Underwater light, 36 leds with niche for concrete pool, cool white/warm white | 36W | 12V | 1395 (cool/warm white) | Housing type |
| WL-QQC-LED036PC | Underwater light, 36 leds with niche for concrete pool, RGB color | 36W | 12V | 410 (cool/warm white) | Housing type |

QMC/QNV underwater light

Mode: WL-QMC/QNV series LED underwater light

Power: 3W/6W Voltage AC12V Cool white, warm white, RGB, single color Housing type installation with niche for concrete pool or fiberglass pool

Features:

- Material: plastic
- Safety low voltage: AC12V
- Standard cable: 2.0meter
- Waterproof standard: IP68
- Color: cool white, warm white, RGB and single blue
- RGB mode features 19 pre-programmed lighting patterns
- Installation style: housing type
- QMC is for concrete pool, recessed the niche into pool wall when building up.
- QNV is special for fiberglass pool, vinyl pool and stainless steel pool with reliable silicon gasket and nut parts.

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|-----------------|---|-----------|-------------|-----------------------|-------------------|
| WL-QMC-LED036HB | Underwater light, 36 leds with niche for concrete pool, cool white/warm white | 3W | 12V | 95 (cool/warm white) | Housing type |

| WL-QMC-LED072HB | Underwater light, 72 leds with niche for concrete pool, cool white/warm white | 6W | 12V | 188 (cool/warm white) | Housing type |
| WL-QMC-LED072HC | Underwater light, 72 ledswith niche for concrete pool, RGB color | 6W | 12V | 70 (RGB color) | Housing type |
| WL-QNV-LED036HB | Underwater light, 36 leds for fiberglass pool, cool white/warm white | 3W | 12V | 95 (cool/warm white) | |
| WL-QNV-LED036HC | Underwater light, 36 leds for fiberglass pool, RGB color | 3W | 12V | 42 (RGB color) | |
| WL-QNV-LED072HB | Underwater light, 72 leds for fiberglass pool, cool white/warm white | 6W | 12V | 188 (cool/warm white) | |
| WL-QNV-LED072HC | Underwater light, 72 leds for fiberglass pool, RGB color | 6W | 12V | 70 (RGB color) | |

PA series underwater light

Mode: WL-PA series underwater light

Power: 12W/18W/24W/36W LED, 100W/150W incandescent lamp Safe low voltage AC12V Cool white, warm white, RGB, single color Wall mount type installation, stainless steel flat light non-niche

Features:

- Non-niche, easy installation
- Shell material: stainless steel, non-corrosive
- Cool white, warm white, RGB, single color are available

- RGB mode features 19 pre-programmed lighting patterns
- IP68 waterproof standard.
- 2.0meters cable length as standard
- Installation mode: wall mount with bracket plate
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxing lifestyle

Advantages:

- High quality silicon gasket, it's not easy to age, seepage and leak
- High efficient led light, high brightness, low power consumption
- Low heat while working, prolong its life span
- Certification: CE

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|----------------|---|-----------|-------------|------------------------|-------------------|
| WL-PA-LED252BB | Stainless steel flat light with bracket plate, 252 leds cool white/warm white | 18W | 12V | 530 (cool/warm white) | Wall mount |
| WL-PA-LED252BC | Stainless steel flat light with bracket plate, 252 leds RGB color/single color | 18W | 12V | 257 (RGB) | Wall mount |
| WL-PA-LED012PB | Stainless steel flat light with bracket plate, 12 leds high power, cool white/warm white | 12W | 12V | 885 (cool/warm white) | Wall mount |
| WL-PA-LED012PC | Stainless steel flat light with bracket plate, 12 leds high power, RGB color/single color | 12W | 12V | 200 (RGB) | Wall mount |
| WL-PA-LED024PB | Stainless steel flat light with bracket plate, 24 leds high power, cool white/warm white | 24W | 12V | 1300 (cool/warm white) | Wall mount |
| WL-PA-LED024PC | Stainless steel flat light with bracket plate, 24 leds high power, RGB color/single color | 24W | 12V | 352 (RGB) | Wall mount |
| WL-PA-LED036PB | Stainless steel flat light with bracket plate, 36 leds high power, cool white/warm white | 36W | 12V | 1395 (cool/warm white) | Wall mount |
| WL-PA-LED036PC | Stainless steel flat light with bracket plate, 36 leds high power, RGB color/single color | 36W | 12V | 410 (RGB) | Wall mount |
| WL-BPA100 | Stainless steel flat light with bracket plate, incandescent lamp bead, toughened glass lens | 100W | 12V | | Wall mount |
| WL-BPA150 | Stainless steel flat light with bracket plate, incandescent lamp bead, toughened glass lens | 150W | 12V | | Wall mount |
| WL-BPC150 | Stainless steel flat light with bracket plate, incandescent lamp bead, PC lens | 150W | 12V | | Wall mount |

PE series underwater light

Mode: WL-PE series underwater light

Power: 6W/12W/18W/24W LED, 75W/100W/ incandescent lamp Safe low voltage AC12V Cool white, warm white, RGB, single color Wall mount type installation, stainless steel flat light non-niche

Features:

- Non-niche, easy installation
- Shell material: stainless steel, non-corrosive
- Cool white, warm white, RGB, single color are available
- IP68 waterproof standard.
- 2.0meters cable length as standard
- Installation mode: wall mount with bracket plate
- Color temperature: cool white 6000K, warm white: 3000K

- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxing lifestyle

Advantages:

- High quality silicon gasket, it's not easy to age, seepage and leak
- High efficient led light, high brightness, low power consumption
- Low heat while working, prolong its life span
- Certification: CE

| Model | Description | Power [W] | Voltage [V] | Lumination (lux) | Installation type |
|-----------------|--|-----------|-------------|-----------------------|-------------------|
| WL-PE-LED072BB | Stainless steel flat light with bracket plate, 72 leds cool white/warm white | 6W | 12V | 150 (cool/warm white) | Wall mount |
| WL-PE-LED072BC | Stainless steel flat light with bracket plate, 72 leds RGB color/single color | 6W | 12V | 88 (RGB) | Wall mount |
| WL-PE-LED144BB | Stainless steel flat light with bracket plate, 144 leds cool white/warm white | 12W | 12V | 302 (cool/warm white) | Wall mount |
| WL-PE-LED144BC | Stainless steel flat light with bracket plate, 144 leds RGB color/single color | 12W | 12V | 168 (RGB) | Wall mount |
| WL-PE-LED252BB | Stainless steel flat light with bracket plate, 252 leds cool white/warm white | 18W | 12V | 500 (cool/warm white) | Wall mount |
| WL-PE-LED252BC | Stainless steel flat light with bracket plate, 252 leds RGB color/single color | 18W | 12V | 245 (RGB) | Wall mount |
| WL-PE-LED006JTB | Stainless steel flat light with bracket plate, 18 leds cool white/warm white | 6W | 12V | 485 (cool/warm white) | Wall mount |
| WL-PE-LED006JTC | Stainless steel flat light with bracket plate, 18 leds RGB color/single color | 6W | 12V | 85 (RGB) | Wall mount |
| WL-PE-LED012JTB | Stainless steel flat light with bracket plate, 36 leds cool white/warm white | 12W | 12V | 903 (cool/warm white) | Wall mount |
| WL-PE-LED012JTC | Stainless steel flat light with bracket plate, 36 leds RGB color/single color | 12W | 12V | 215 (RGB) | Wall mount |
| WL-BPE075 | Stainless steel flat light with bracket plate, incandescent lamp bead, PC lens | 75W | 12V | | Wall mount |
| WL-BPE100 | Stainless steel flat light with bracket plate, incandescent lamp bead, PC lens | 100w | 12V | | Wall mount |

QP underwater light

Mode: WL-QP series LED underwater light

Power: 6W Voltage AC12V Cool white, warm white, RGB, single color Housing type installation with niche for concrete pool

Ultra-thin light with niche for concrete pool

- Material: anti-UV ABS + PC lens
- Standard cable: 2.0meters
- Waterproof: IP68
- Installation style: housing type
- Color: cool white, warm white, RGB and single blue.
- RGB mode features 19 pre-programmed lighting patterns

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
|-----------------|---|-----------|-------------|-----------------------|-------------------|
| WL-QPB-LED072HB | Underwater light, 72 leds with niche for concrete pool, cool white/warm white | 6W | 12V | 188 (cool/warm white) | Housing type |
| WL-QPB-LED072HC | Underwater light, 72 leds with niche for concrete pool, RGB color | 6W | 12V | 70 (RGB color) | Housing type |

WL-PE series underwater light

WL-PE

Main features:

Stainless steel, non-corrosion and well cooling operation.

Light source: 12W SMD led light+6W high power LED light.

No flicker, high purity, soft light, no glare.

High brightness (high lumen), strong light transmission.

Low power consumption, low heat while working.

Wall-mounted type, easy to install.

Safety low voltage: AC 12-20V

IP68 waterproof standard.

Color: cool white, warm white, RGB mixing

WL-PE series underwater light

Main features:

1. Stainless steel, non-corrosion and well cooling operation.
2. Light source: 12W SMD led light+6W high power LED light.
3. No flicker, high purity, soft light, no glare.
4. High brightness (high lumen), strong light transmission.
5. Low power consumption, low heat while working.
6. Wall-mounted type, easy to install.
7. Safety low voltage: AC 12-20V
8. IP68 waterproof standard.
9. Color: cool white, warm white, RGB mixing

TECHNICAL DATA

| Model | Power(W) | Voltage(V) | LED QTY | Light source | Color | Lumination(lux) |
|------------------|----------|------------|---------|--|-------------|-----------------|
| WL-PE-LED 87JTBW | 18W | 12-20V | 87 | 81pcs SMD leds white color, 6pcs high power leds white color | White color | 1500 |
| WL-PE-LED 87JTCW | 18W | 12-20V | 87 | 81pcs SMD leds RGB color, 6pcs high power leds white color | RGB+white | 900 |

BP series underwater light

Mode: WL-BPB/BPC series led underwater light

Power: 6W/12W Safe low voltage AC12V Cool white, warm white, RGB, single color Wall mount type installation, flat light non-niche

Features:

- Non-niche, easy installation
- Shell material: PC lens+ABS base, non-corrosive
- Cool white, warm white, RGB, single color are available
- Beam angle: 120°
- IP68 waterproof standard.
- 2.0meters cable length as standard
- Installation mode: wall mount with bracket
- Color temperature: cool white 6000K, warm white: 3000K
- Laswim remote control system (YAQ) allows you to manage the pool with an easygoing, relaxing lifestyle

Advantages:

- High quality silicon gasket, it's not easy to age, seepage and leak
- High efficient led light, high brightness, low power consumption
- Low heat while working, prolong its life span
- Certification: CE

| Model | Description | Power (W) | Voltage (V) | Lumination (lux) | Installation type |
